

Instructions:

- 1) First, cut out the dark red square.
- 2) Next, turn the square to be a diamond so the pink dot is at the top and the blue dot is at the bottom. The pink dot will be at the top of your room.
- 3) Now it's time to color! Design your room however you like.
- 4) Once you're done, it's time to fold. Fold the pink dot to the blue dot (fold the diamond in half), then unfold. Now, Fold the yellow dot to the orange dot and unfold.
- 5) Cut along the dotted orange line starting at the corner and stopping in the center.
- 6) Lay the floor triangle on top of the base triangle. Tape or glue them together.
